 Total Income: \$954.18
 Total Expenses: \$1,936.07
 Current Operating Balance: \$3,855.24

Hello District 72:

Attached is The Treasurer's Report for July 20 2025. The period is from June 23-July 20, 2025. If you have any questions feel free to contact me anytime. We split the excess money and sent Checks to Area 40 and GSO and are now slightly above our Prudent reserve amount in our operating budget, but have large expenses coming up. Those expenses will be a large literature order over \$1,000 to GSO for Corrections and our inventory, Paying for airfare, food and lodging for our DCM to attend the Forum in September, Rent for our next quarter at the Hall, the Special Event which we will be hosting prior to our July 26th District meeting as well as all other budgeted expenses in our spending plan remaining. So with that said, please keep your group contributions coming for 7th tradition as well as replenishing our Pink Can Fund which will down to less that a few hundred dollars after we get the literature orders figured out for the Detention Center next month.

Please Print off Copies for your group members and to bring with you to the District meeting! If you need reimbursed for any expenses bring itemized receipts and I will get you a check at the July 26 District meeting!

Thank you for allowing me to serve the best District in Alcoholics Anonymous!

Tim K-District 72 Treasure

Wrote 5 checks since he sent report, balance after 5 checks going through will be \$6,516.68. **Please keep sending contributions.**

- Susan asks she heard controversy about GSO and New York to move for years. Tim hasn't heard, suggests she ask our Delegate about it
- Nora asks repeat of current balance. After subtracting the things, our operating balance is less than \$2,000.
- Catherine asks should we keep Roundup contributions separate from District Funds? Or keep them separate? (became NEW BUSINESS)

REPORT FROM DISTRICT 72 ANSWERING SERVICE FOR JULY 2025

Glad to report we've got women volunteers in place for 11 months and men for 7 months. Everything seems to be going smoothly! Some calls were missed by volunteers but in all cases we were able to find a volunteer to reach out and successfully connect with each person who called in. Thanks to everyone for their help in getting me up to speed in this role!

Archives, Joanne M.

D72 Archives Report - Joanne M. - July 2025

- Nothing new to report other than maintaining the usual documents. I've been out of town most of the month, but will get busy now that I'm back.

CPC (Cooperation with the Professional Community), Betty M.

Hello District 72!

The CPC team met earlier this week to review the work done so far this year, figure out what we did well, and how to improve what is needed.

We welcomed 2 new members this month: Jerry R from Belgrade and Kelli K from Ennis. We are grateful to have them and are looking forward to more out of Bozeman committee members joining.

We decided that the group will now be hybrid. We will meet in the Fellowship Hall monthly, on the 3rd Wednesday from 5 – 6 pm. Room to be confirmed. We all also continue to have our meeting on Zoom for all those members who choose not to attend in person. We hope this will allow the meeting to be accessible to all A. A. members in District 72.

At our 6-month committee review, we talked about the 3 presentations given. It was the opinion of the group that all were successful, the speakers were very good, the general AA information provided was relevant, to the point and delivered in an engaging way. Literature and handouts relevant and useful. Good job coordinating with integrating AlAnon into our presentations. We have good business cards. What we could do better: Be more clear in terms of our roles & responsibilities. Me? I am to manage more and do all the work less. No, I'm not an alcoholic at all.

The team is continuing to work with Bozeman Health and connecting with a good contact in Integrated Behavioral Health, as well as the Chaplain. We will be working with Al-Anon on a presentation for Cedar Creek Integrated Health. Their goal: to help individuals, children and families understand health, healing and wellness as it relates to our thoughts, emotions, behaviors, addiction, social interactions, environments, physical and spiritual well-being. Leah has spoken with her key contact and they are very receptive to having us coordinate with Al-Anon in bringing a presentation to them. We have also reached out to the PI Committee with an additional need that they might be able to help with.

Each team member will use our current contact listing and/or personal knowledge to reach out to 3-5 possible institutions /groups that might be interested in learning more about A.A. can be helpful to them.

Thank you for the opportunity to serve.

Betty M, CPC Chair

Grapevine & La Vina/Structure, Bob C.

Hello District 72 I am Bob I'm an alcoholic and your Grapevine chair. I have nothing to report at this time. Thank you for allowing me to serve.

Roundup, Catherine J.

Greetings!

Great news, we have a date for the Bozeman Spring Roundup 2027:

Bozeman Roundup Spring 2027 is scheduled for April 30-May 2 at the Best Western Grantree Inn

GSR input will help us decide on a theme and gather volunteers for the Roundup. GSR's Please ask your groups and other AA members to fill out this questionnaire which you can access via the link

<https://forms.gle/XR4gZiExapJhzs7U8>

Or via QR code.

Selecting a theme early will serve as a reminder that a roundup can advance the common purpose of Alcoholics Anonymous. The 2025 International Convention in Vancouver, BC, Canada theme was chosen from suggestions sent in by the Fellowship: "90 Years: Language of the Heart."

The Round Up Planning will meet on the third Saturdays of each month at 10:00 am at Fellowship Hall.

Our next planning meeting will be Aug 16, anyone interested can contact Catherine J [by phone] or email her catherinemjohnson7@gmail.com.

We seek AA members for the following service commitment and responsibilities all are welcome!

Detailed job descriptions

Secretary - keeps all written records, including minutes of the committee meetings; also sends out notices of committee meetings and other mailings to committee members.

Treasurer - responsible for all money, including revenues from registration and banquet tickets; pays all bills; usually advises the chairperson on cash supply and income flow as well as rate of expenditure.

Program Chairperson. Since this is often a very complex job, its objectives are discussed under the separate heading "What Makes a Good Convention Program?" One effective way to insure maximum interest and participation in the roundup is to farm out each meeting, workshop, or panel to a different group. Thus, the groups themselves plan and organize the meetings, always working closely with the general program chairperson to assure balance.

Speaker Chairperson. This person usually sends invitations to speakers and panel members who chair various meetings. Care of Speakers. Most conventions feature speakers from out of town. Sometimes A.A. members living a thousand miles or more from the convention site. In the spirit of Tradition Seven and the concept of self-support, program chairpersons have a responsibility to see that certain important matters are properly handled on the speakers' behalf:

- *Travel Expenses.* It should be clear, when the speakers are booked, what terms are being made for expenses. Unless it's otherwise specified, speakers have a right to assume that all their travel, meal, and hotel expenses will be paid for the entire trip. Speakers will also expect hotel or motel accommodations as a matter of course; if they're to be guests in private homes, this should be explained before their arrival.
- *Speaking Travel Arrangements.* Speakers should know when they're expected to speak, as well as on what topic and length of time, and whether their presence is also required elsewhere in the convention. (Some speakers may be unable to attend the entire convention.) No other commitments besides speaking should be made for speakers without their knowledge and consent. Most speakers will also appreciate

knowing something about the conditions under which they'll speak; let them know whether there'll be a podium, public address system, etc. If the speaker will be taped, be sure that the speaker is aware and agrees in advance.

- *Selects Speaker Hosts and/or Hostesses.* Responsible members from the local group should be assigned the duty of being host to the visiting speakers and making sure that they have proper accommodations, as well as transportation and other conveniences.

Public Information Chairperson has the sensitive task of encouraging a large attendance without abandoning A.A.'s principle of "attraction rather than promotion." Publicity efforts can be kept within the dignity and spirit of A.A. through the following means:

- *Preparation and distribution* of material about the program, speakers, and time and location of the convention (perhaps including map of area, if necessary). It's advisable for the convention committee to rent a post office box and/or create a generic email address, and use that on all mailings, with no reference to A.A. on return addresses or in email subject lines. When sending A.A. e-mail to multiple recipients use can be made of the BCC (Blind Courtesy Copy) option to protect the anonymity of all recipients.
- The publicity material could also be sent to the press, radio, TV and online outlets in the immediate area. (The Public Information Workbook, available from GSO, gives useful advice on approaching the media.) If media or the general public are invited, be sure to attend to the details of how they will be greeted and if special meetings or contacts will be set up for them.
- *Regular flyers* about the event are usually mailed monthly to all groups in the area, with the first mailing beginning about six months before the convention date.
- Dates and location of the roundup, with a mailing address, and/or website, for information or registration, should be sent four months in advance to the AA Grapevine and to Box 4-5-9, to be published in their calendars. Only area, regional, state, or provincial events of more than one day's duration are listed.
- Send AA Grapevine notices to the GV Editorial Department, 475 Riverside Dr., New York, NY 10115 or submit to the online calendar at www.aagrapevine.org. Send Box 4-5-9 notices to Box 4-5-9, Grand Central Station, New York, NY 10163, or via the Box 4-5-9 event information form on www.aa.org.

Accessibility Chairperson ensures that all aspects of the event planning (venue, program, physical accessibility, use of technology etc.) are considered from an accessibility perspective. The Accessibility Chairperson may also work with external vendors, for instance certified ASL interpreters. The Accessibility Chairperson may also work with the Program Chair to include panels or speakers who focus on accessibility. Similarly, the Accessibility Chair may work with the Registration Chairperson to address the needs of members who have disabilities. As appropriate, they coordinate with the Public Information Chairperson to communicate with members about the extent to which the event will be accessible.

Entertainment Chairperson will arrange for Round Up entertainment if there is any. The chairperson hires the band and other performers. At some Round Up's the local A.A.s provide entertainment by putting on a play about A.A. Traditions (for script, write to GSO), or putting together choruses and variety shows.

Hospitality Chairperson serves as convention host, organizing a committee that will greet out-of-town guests, arrange transportation for them when necessary, and see to any other needs they might have while attending the convention. Usually members of the hospitality committee wear special identification badges and are available to answer questions and provide assistance to conventioners.

Display and Literature Chairperson is responsible for displays and posters and for having A.A. literature available for all. GSO provides a literature display to all conferences and conventions. (See "Displays" on page 6.)

Recording Chairperson responsible for negotiating with the individual or company who will be recording the convention. That individual will be directly responsible to the convention chairperson (see Recording Guidelines on page 5).

- Tim croaked that they need help

Special Events, Amy K.

Thank you to everyone who attended today (the Delegate's Report event), stay tuned for the next event which will probably be in October.

- We each got a cool rock from Amy

Corrections, Tony B

WE DID NOT MEET IN JULY.

WE WILL MEET IN AUGUST.

WE ARE IN DIRE NEED OF VOLUNTEERS AT GCDC. ESPECIALLY MALES.

- Tony thinking of starting a Men's meeting Thursday night at 9pm, Boys to Men!
- Lenore asks if jail application available online. Yes it is, Tony said people respond better if you hand them the paper cause then they feel guilty! And fill it out.
- Ashley stated someone who just got out of the jail said he had a hard time getting a book, Tony said they are available in the pod and have been stocked. May have been an internal issue.

Treatment, Rebekah P.

The men and women had a good representation of the fellowship for the month of July.

BTW chair of area and district have been contacted to bring the gap and carry the message to at least one inpatient!!!

Keep up the good work everyone!!

The hospital dual diagnosis volunteers' project is progressing. Contact my or a chair on the committee for more information.

The meeting will start the 23rd of September. The commitment is for 12 weeks or three months for two volunteers (one male/one female)

Training takes about a week to complete the process. There is an hour training that will take place during the week and the committee will pick 5 volunteers at a time to orientate.

Lab work
HIPPA training
Background check

I will send a pamphlet with appropriate information and instructions.

Thank you for the opportunity to be of service.

In love and service-

Rebekah

- Amy asked what happens after 3 month commitment? Rebekah says will start with 2 people for the commitment for now. Training scheduled 3-5pm any day of week, hospital needs to do blood tests, will probably do HIPA training. Have relaxed their standards for us, generally their volunteers have 60 hours training.

- Amy continues so we will have backups in case something bad happens? Rebekah says that isn't our priority, we would really like to have the same folks going in to build relationship with the hospital.

Technology, Russell V.

July 25.

We did more set up on the Google workspace, but we had to work on the security and other arrangements. We also paid for the domain through Go Daddy for three years at a cost of \$128.56. That's not us a 30% discount. Plan now is to have the invite to all the chair members well before the next meeting. Also need to order supplies (gaffer tape, extra cables).

Alt. DCM (Alternate District Committee Member), Meghan R.

- Wants to remind GSR's that we do have application for Area Assembly scholarships on D72 mini site. If you want to go to Area Assembly but group cannot afford, please do fill one out and send to Secretary for Finance committee before our next District meeting. For District Chairs too. If interested please request funds so we can review and make decision based on budget.
- Amy asks how much it is for her group, roughly \$400? What is budget? Meghan states we don't have a specific number but forms asks questions like how you will travel (with someone, alone), based on costs from past folks so we can make an educated guess.
- Tim states Assembly is September 12-14 in Great Falls

DCM (District Committee Member), Lenore M.

9. Immediate Business – for JULY 2025: 2 MINUTE TIMER FOR
QUESTIONS/OPINIONS

10. Old Business: 2 MINUTE TIMER FOR QUESTIONS/OPINIONS

11. New Business: 2 MINUTE TIMER FOR QUESTIONS/OPINIONS

- Should we have a separate checking account for Roundup Committee, one that is separate from the District Treasury checking account? Or not?
 - Lenore asks has it been separate in the past? Tim says it's been separate.
 - Betty says she used to be Roundup Chair for the Roundup That Wasn't, 2020. They did follow Tradition where Roundup opens up separate account. Make sure we respect that there's no concern that no funny business occurring, keep fully transparent. Something to consider there's a lot of integration between Treasurer and registration. Is something for D72 Treasurer to think about. Is just an awful lot of work! Also if we used a Ticketer like Event -Brite they need access to an account to pull fees. May be a concern to consider.
 - Tim suggests let GSR's take this back to their groups. August 16th 10am Roundup Committee will meet. Anyone can come, need volunteers, lots of people to get involved. If groups have any strong sentiment either way, let Tim or Catherine know. Tim states his opinion at this time is to keep separate. We do get seed money from before, would get transferred to Roundup account if we do that. (Explanation of Seed money:) Roundups around Montana send any profits to next Roundup location to help get the next Roundup started. Hope is that it is self supporting so that all costs are covered with what is raised by event, ticket sales, etc. Tim agrees it would probably add more work as Treasurer to not keep separate account but WhateverTM, he's open to it.

- Rebekah asks how much seed money is there? Tim says \$500. It isn't actually seed money, that is money budgeted by last treasurer. Seed money will come from previous Roundup.

- Catherine states if anyone wants to be treasurer for Roundup then show up yay!

- Betty requests that it be articulated what exactly GSR's need to bring back to groups.

- Tim states do we want a checking account separate from District Treasury for Roundup event or just have it all coming out of District Bank account?

- Betty asks for more context around it so GSR's have something to explain.

- Catherine states it's what we've always done, she just wanted to get feedback from District and didn't have experience so she wanted to check with people who have more experience. *Need Treasurer for Roundup Committee*

- Bob E. states having separate bank account keeps it clear so there's not room for interpretation. Can also be on flyers, making checks out to Roundup Committee.

- Amy points out it would be wise to have same Treasurer for duration of Roundup Planning since the District Treasurer will change before Roundup.
