Adjourn – Travel Safely!

Fall Assembly – September 25-27, 2026, Holiday Inn – Great Falls
Reservations: 406-727-7200 Room Block for Area 40

The following is a list of agenda items and the Area Committees to which they have been assigned for review. Some agenda items originate in Area 40, and the rest are from the Agenda for the 73rd General Service Conference. The latter will be addressed at the General Service Conference.

The Committee Chairs, DCMs, and District Representatives were sent a list of agenda items with the corresponding background information in February. This information is then passed on to other members of those committees, to GSRs in the districts, and other interested members of our Fellowship for research, review, and discussion, in turn providing for a well-informed group conscience and decision. If your Group has any comments, questions, and concerns or would like copies of any background information, please contact the appropriate Area Committee Chair or your DCM. Your DCM has the names, phone numbers, and addresses of the Area Committee, or you can email them through the Area's website – www.aamontana.org.

The General Service Conference agenda items discussed by committees will come to the floor as a brief report of each item considered, reviewed, or discussed. The committee chairs will provide a general sense of the committee's view on each GSC item, rather than providing recommendations on these items (motions passed and seconded in committee). Assembly members will have an opportunity to ask questions and offer their groups' thoughts on each item during the Floor Assembly. The discussion will provide the Delegate with a sense of the Area and with substantive comments to share with the Conference. For controversial items or items for which the floor discussion does not provide a clear sense of the Area, the Delegate may request an informal show of hands, for and against, in order to obtain the sense of the Area.

(NOTE: the process by which items are submitted, dispersed, considered, and brought to the Assembly is detailed in the *Area 40 Committee System Policy and Procedures* manual which is available through your DCM and [on the website](#)).

The process set forth above is grounded in [Concepts I, II, III, X, XII](#), and [Tradition 2](#).

The following Committees/Committee agenda items are listed in order of presentation.
